

ROUGUIATOU DIALLO

WEB DEVELOPER

PROFIL

As a passionate web developer, I create intuitive user interfaces that blend aesthetics and functionality. With expertise in React and PHP, I turn design concepts into engaging, user-friendly digital experiences.

EXPERIENCE

● SUPERVISOR

CONAKRY/GUINEA | 2019 - 2020

As a supervisor, I managed various tasks, monitored students, organized their schedules, and coordinated daily activities. This role honed my organizational skills and attention to detail, which are essential in web development.
